Think of the function notation as a replacement for  $y$ . It reads "f of x."  $f(x) = 2x + 1$  is also known as  $y = 2x + 1$ .  $f(x) = |x + 5|$  is also known as  $y = |x + 5|$ .  $f(x) = 5x^2 + 3x - 10$  is also known as  $y = 5x^2 + 3x - 10$ . What do these variations of notation share?  $f(0) = -2$ ,  $f(b) = 3$ ,  $f(p) = 10$ ,  $p = 12$ . Whether the function begins with  $f(x)$  or  $f(t)$  or  $f(b)$  or  $f(p)$  or  $f(\bullet)$ , it means that the outcome of  $f$  depends on what's in the parentheses.  $f(x) = 2x + 1$  (The value of  $f(x)$  depends on the value of  $x$ .)  $f(b) = 3$  (The value of  $f(b)$  depends on the value of  $b$ .) Learn how to use a graph to find specific values of  $f$ . What is  $f(2)$ ? In other words, when  $x = 2$ , what is  $f(x)$ ? Trace the line with your finger until you get to the part of the line where  $x = 2$ . What is the value of  $f(x)$ ? Answer: 11 What is  $f(-3)$ ? In other words, when  $x = -3$ , what is  $f(x)$ ? Trace the graph of the absolute value function with your finger until you're touching the point where  $x = -3$ . What is the value of  $f(x)$ ? Answer: 15 What is  $f(-6)$ ? In other words, when  $x = -6$ , what is  $f(x)$ ? Trace the parabola with your finger until you touch the point at which  $x = -6$ . What is the value of  $f(x)$ ? Answer: -18 What is  $f(1)$ ? In other words, when  $x = 1$ , what is  $f(x)$ ? Trace the exponential growth function with your finger until you touch the point at which  $x = 1$ . What is the value of  $f(x)$ ? Answer: 3 What is  $f(90^\circ)$ ? In other words, when  $x = 90^\circ$ , what is  $f(x)$ ? Trace the sine function with your finger until you touch the point at which  $x = 90^\circ$ . What is the value of  $f(x)$ ? Answer: 1 What is  $f(180^\circ)$ ? In other words, when  $x = 180^\circ$ , what is  $f(x)$ ? Trace the cosine function with your finger until you touch the point at which  $x = 180^\circ$ . What is the value of  $f(x)$ ? Answer: -1 If you're seeing this message, it means we're having trouble loading external resources on our website.
